****To update read only fields, please go to Census->People->Identities**

Home Primary Language: KAR: Karen languages

First Entered US School: 09/22/2014

Birth Country: No Data Available

1. Select the current Program Status based on the student's WIDA Screener for KG or WIDA Screener scores. This value indicates the student's current EL status.
2. If the student has taken the initial screener assessment (for example, the WIDA Screener for KG or WIDA Screener) and was deemed eligible for EL services, enter the **Identified Date**.

What is the identified date?

The **identified date** is the date that the student was deemed eligible for EL services.

What is the expected exit date?

The **expected exit date** is the date the student is expected to exit the EL program. Remember that EL students are expected to reach English language proficiency within five to seven years of instruction in the EL program.

3. If the student is deemed eligible for EL services through the WIDA Screener for KG or WIDA Screener, enter the **Parent Notified** date.

What is the Parent Notified date?

The Parent Notified date is the date the student's parents/guardians were notified of screener results and whether the student is deemed eligible for services or not. A parent notification letter must be shared with parents within the **first 30 calendar days** of the beginning of the school year or **within two weeks** of enrolment during the school year.

You can find a sample notification letter here:

<https://doe.sd.gov/title/documents/ELparent-19-20.docx>.

1. Parents have the right to deny services; however, if identified as an EL student, the student will need to participate in the ACCESS for ELLs 2.0. If the parents declined services, mark the **Parent Declined** checkbox. This is an annual requirement.
2. **Enter WIDA Screener for KG or WIDA Screener scores in Comments section. Also, enter any comments about the student's EL record.**

What is the definition of an Exited EL student?
Exited EL student refers to students who have met South Dakota’s exit criteria on the ACCESS for ELLs 2.0 English language proficiency assessment.

What is South Dakota’s exit criterion?
To exit a student from EL status, the student must obtain an Overall Proficiency Level of **5.0** or **higher** on the ACCESS for ELLs 2.0 Assessment.

Who inputs the exit date for the student?
SD DOE submits a file to Infinite Campus with a list of students who are deemed proficient on the ACCESS for ELLs 2.0 English language proficiency assessment. Infinite Campus will exit all students from the EL program and will populate an Exit Date.

What is the First, Second, Third, and Fourth year monitoring?

The Exited date record will calculate:

First Year Monitoring- A read-only field calculated exactly one year from **Program Exit Date**

Second Year Monitoring- A read-only field calculated as exactly two years from the **Program Exit Date**.

Third Year Monitoring- A read-only field calculated as exactly three years from the **Program Exit Date**.

Fourth Year Monitoring- A red-only field calculated as exactly four years from the **Program Exit Date**.

How long are LEAs required to monitor Exited EL students?

LEAs are required to monitor Exited EL students for **two consecutive years** after the student has tested proficient on the ACCESS for ELLs 2.0 assessment. LEAs are responsible for evaluating the progress made by children in meeting challenging State academic content and student academic achievement standards for each of the two years after the student is no longer receiving EL services.

If we are only required to monitor Exited students for two years, why does it populate for four years?

Under ESSA, LEAs are required to report on the achievement of Exited EL students for four years.

Creating a EL Services Record	
Infinite Campus Path:	Student Information > Program Participation > English Learner

Who enters the EL Services?

School districts have the responsibility to provide English language development services to all identified English learner students. It is a requirement to enter what services are being provided on the EL Service Types tab.

If you select “Other” please indicate in the comments section of type of EL services that are being provided.

Creating an EL Record: Re-Entry

Infinite Campus Path:

Student Information > Program Participation > EL

EL Re-Entry

The screenshot shows the 'Active EL Record' form in Infinite Campus. At the top, there are tabs for 'EL', 'EL Assessments', and 'EL Services'. Below these are buttons for 'Save', 'Delete', and 'Documents'. The main form area is titled 'Active EL Record' and contains the following fields: 'Program Status' (set to 'Exited EL'), 'Identified Date' (09/12/2017), 'Expected Exit Date', 'Program Exit Date' (12/18/2017), 'Exit Reason' (1: Exited EL - Reached Proficiency), 'First Year Monitoring' (12/18/2018), 'Second Year Monitoring' (12/18/2019), 'Third Year Monitoring' (12/18/2020), 'Fourth Year Monitoring' (12/18/2021), 'Parent Notified', 'Parent Declined', and 'Parent Declined Date'. A 'Re-Enter' button is circled in red in the top right corner of the form.

Why is an EL student re-entered into the EL program?

Exited EL students are to be monitored for two consecutive years after testing proficient in English. School districts are responsible for evaluating the progress made by students in meeting challenging State academic content and student academic achievement standards for each of the two years after the student is no longer receiving services. Items such as a teacher referral, a parent referral, test scores, and mainstream classroom success might indicate a need to discuss the possibility that the student needs to be re-integrated into the EL program.

The LEA has monitored the student and there is enough evidence that the student is still struggling due to language, what should the LEA do?

If the school district has determined that the student is still struggling due to a language barrier, then the school district may re-enter the student back into the EL program. The student would need to enter the program the same way they entered the very first time. The school district would need to administer the WIDA Screener assessment again.

Creating First Year in Country Record

Infinite Campus Path:

Index > Census > People

What is a first year in country criteria?

- A. must be an identified EL student
- B. have been enrolled in a school in one of the 50 states in the United States or the District of Columbia for less than 12 months
- C. Must participate in ACCESS for ELL 2.0 English language proficiency assessment if enrolled during the testing window
- D. For students arriving after the ACCESS for ELLs 2.0 testing window, the WIDA Screener must be administered to provide evidence for SD ELA assessment exemption

If the student meets the above criteria, then...

The student is exempted from participating in the ELA portion of the SD state assessment; however, the student is required to participate in Math and Science. Scores are not included in accountability.

What do we need to indicate in Infinite Campus if the student meets the First Year in Country criteria?

The LEA will need to include the **Date Entered U.S.**, **Date Entered U.S. school**, and **First Year in Country** check box.

Does a student need to be an EL student?

Yes, the student needs to be an EL student.

Do students from Puerto Rico get this first-year exemption?

Yes, if the student from Puerto Rico and is an identified EL student and has not attended a U.S. school for more than 12 months.

What is the definition of an Immigrant Children and Youth student?

[Immigrant Children and Youth](#)

What do we need to indicate in Infinite Campus if the student meets the Immigrant Children and Youth definition?

The LEA will need to include the **Date Entered U.S.**, **Date Entered U.S. school**, and select **Immigrant** under State reporting fields.

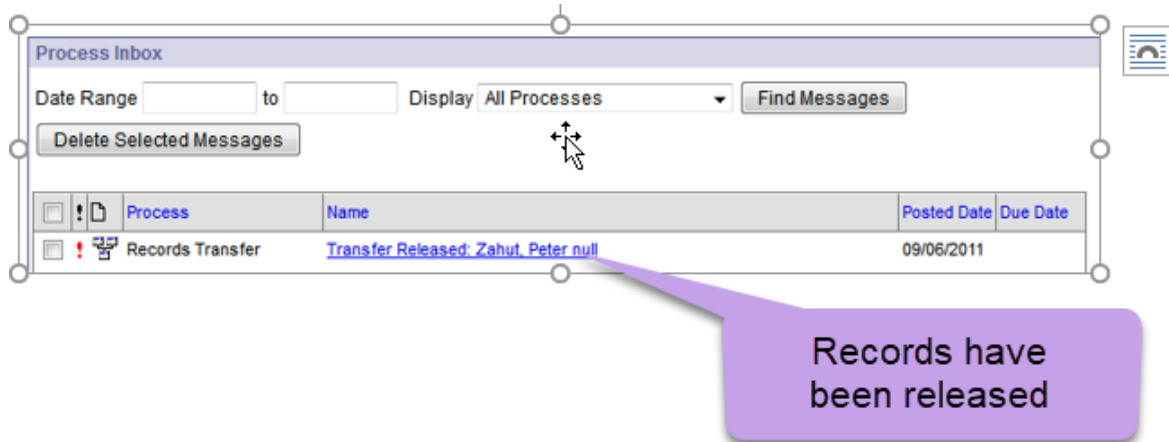

Why do we collect this information?

This information is collected because there is a Title III-Immigrant Children and Youth Grant that LEAs can qualify for if they have a significant impact of Immigrant Children and Youth students.

Please note that the term "immigrant" as used in Title III is not related to an individual's legal status in the United States.

Requesting Records

When a student transfers into your district, a request for records will need to be sent to the student's previous district. That district will then release the records to your district. When the former district selects the Release Records option, records are sent to the requesting district. The new district will receive a message link in its Process Inbox containing the student's records and the former district's contact information.

Record transfers can be accessed in **three** areas of Infinite Campus, when the appropriate user rights have been assigned:

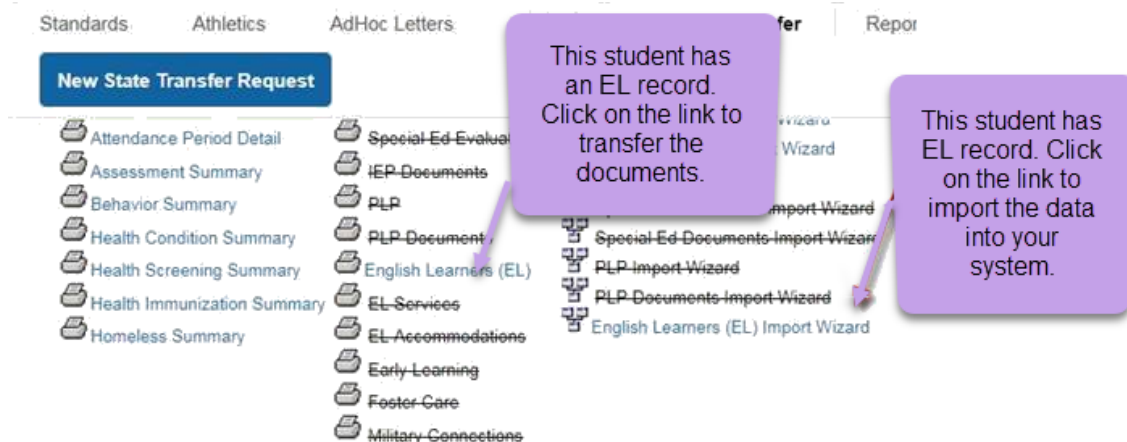

- *Process Inbox* (until deleted)
- *Student Information > General > Student Records Transfer* (permanent record)
- *System Administration > Data Utilities > Student Records Transfer* (permanent record)

A released records transfer message will contain two methods of receiving the transferred student records.

It is the **responsibility** of the **new** district to complete the records transfer by importing and/or entering the relevant data. The Data Imports method directly writes the former district's data to the new district database using Data Import Wizards.

To execute a data import, click the **hyperlinked blue text**. An Import Wizard will open.

Crossed-out items may appear on the release page of both the new and former district. When an item in the Transfer Documents or Data Imports section is crossed out, it indicates that the student did not have any relevant records for that transfer type.
